Mr. C. van der Voit
Superintendent
Arnold Arboretum
Jamaica Plain, Massachusetts

My dear Sir:

I am just in receipt of a letter and bill of lading from Mr. van Gemert, who advises that you have kindly prepaid the freight on the car of trees which he has loaded for the Morton Arboretum. Enclosed find my check on New York for \$112.80, the amount paid, and accept my thanks for your action.

Mr. van Gemert tells me that Prof. Sargent has not been feeling well for a couple of days. I trust there is nothing serious the matter and that he will soon be himself again.

Yours truly,
