WORLD'S LARGEST COMPLETELY AIR CONDITIONED HOTEL

Dear Mr. Godshalk.
at long last - the
Cotoneasters are here -
from Germany.
Mr Kamever thinks we
may have this variety.
They are very attractive
in a hand bed such
as the low ever greens
in the garden up the
hill back of adminis-
tration Bldg - I saw
them thus in Germany.

The St. Anthony

San Antonio

WORLD'S LARGEST COMPLETELY AIR-CONDITIONED HOTEL

We are very comfortably
settled in S. A. Climate is
about ideal thus far. we have
in seven into-wherefore not
at all green. stunted growth
in trees - marks the whole of
surrounding country.

Hope all goes well with
your family on both sides
the road - Best Wishes for
the holidays.

Sincerely
M. G. Morton
