Dear Mr. Dow:

Before taking up the matter with Mr. Taylor of the DuPage County Centennial Committee, pertaining to Sterling's talk at the Arboretum tree planting program, I should like to find out if possible what time Sterling is likely to be in Chicago. In talking to Mr. Mark Morton yesterday he told me that both he and Sterling were invited to Nebraska City to participate in the Arbor Day celebration, but that Sterling was going to Europe on some business and would be unable to attend. He didn't know the details, therefore, I would appreciate it if you could find out something from Sterling's secretary as to his plans for sailing.

Yours very truly,
