Dr. W. M. Rohrbacher
811 East College Street
Iowa City, Iowa

Dear Sir:

Your letter inquiring about the type of coniferous trees adaptable for planting in various soils and locations has been referred to me for reply.

On the enclosed bulletin I have noted briefly the preferences of a number of the most reliable species.

If we can offer any further assistance please feel free to call upon us.

Yours very truly,
The Morton Arboretum

E. L. Kammerer
