Mr. Martin E. Johnson
Rt. 1 Box 178
Elburn, Illinois

Dear Sir:

The vine specimen you sent to have identified
is Boston Ivy, *Parthenocissus tricuspidata*.

Plants are available from most nurseries.
Glendale Nurseries, North Avenue, Glen Ellyn, Illinois
list it in their catalog and I am sure you would also
find it at the Thorndale Landscape Nursery, R.D.1
Box 285, St. Charles, Illinois.

Yours very truly,

E. L. Kammerer
