Miss Dorothy S. Hansell
Editor, The Garden Journal
The New York Botanical Garden
New York 58, New York

Dear Miss Hansell:

You will find enclosed the article about the Morton Arboretum you wanted for the January, 1953 issue of the Garden Journal. I apologize for not meeting your October first deadline and do hope your schedule will not be seriously interrupted. As to the article itself, please feel free to edit it to meet your requirements.

A package containing fourteen Arboretum photographs is being mailed today under separate cover. They are all the property of the Arboretum and may be used without giving recognition to the photographer. Captions appear on the back of each illustration.

Yours sincerely,

E. L. Kammerer
