Gentlemen:

We wish to thank you for your promptness
and cooperation in sending us the seeds we requested.

Due to a reorganization of our office force
during the past year we were unable to make a sizeable
seed collection and are therefore able to offer but a
small exchange list in return. (See inclosed sheet.)

Next year, however, we are planning to make
a rather complete collection of seeds of mid-western
American wild flowers, which we hope will be of interest
to you.

Thanking you again, we are,

Yours truly,

The Morton Arboretum
