Mr. D. H. Mulloney, Ass't. Sec.,  
The Pure Oil Company  
Columbus, Ohio.

Dear Sir:

We have your letter of the 21st.,  
and note that you are especially interested  
in adding Sorbus and Cotoneaster species to  
your collections.

Had your reply reached us sooner  
we could have sent you any available plants  
of these genera this fall. As it is, however,  
our digging season is over, making it necessary  
for us to wait until spring to send you the de-  
sired plants.

Hoping this will be satisfactory to  
you, I am,

Yours truly,

E. L. Kammerer.
