821 Washington Loan and Trust Bldg.
Washington, D. C.

Dear Sir:

Thank you very much for the membership card you sent us. Since the death of Mr. Morton the founder of the arboretum many changes are being made. We are now controlled by a board of trustees of which Mrs. Joseph Cudany, daughter of Mr. Morton, is chairman. The work of the arboretum is to continue with as much enthusiasm as before, as it is now a memorial to Mr. Morton and is amply endowed to carry on its work.

We are having a new administration building built now and the iris collection is to have a new place near this building. I'm sure it will attract even more attention than it has in past years.

Yours very truly,
