Mr. W. Y. Dow
2200 Morton Building
208 W. Washington Street
Chicago, Illinois

Dear Mr. Dow:

The gardener's cottage which I referred to and suggested that the insurance be increased on is, I believe, the building noted on Marsh and McLennan's diagram as #2. I do not have a diagram but from the insurance description they refer to it as #2. It should be the nearest building to the residence on the plat.

I hope that this will enable you to identify it.

Yours very truly,
