### Publications

#### Publications by George Ware

##### List of publications with description of contents

"Chromosome Numbers of New Ulmus (Elm) Taxa Introduced from China" by Frank S. Santamour, Jr. and George Ware

"Constraints to Tree Growth Imposed by Urban Soil Alkalinity"

"Coping with Clay: Trees to Suit Sites, Sites to Suit Trees"

"Decline in Oak Associated with Urbanization"

"Developing Better Elms " by Fredric Miller and George Ware

"Ecological Bases for Selecting Urban Trees"

"Ecological Considerations for Urban Tree Selection"

"Elm Trees from China to The Morton Arboretum"

"Evaluation of Asian, European, and Morth American Elm (Ulmus spp.) Biotypes to Feeding by Spring and Fall Cankerworms" by Fredric Miller, Kimberly Malmquist, and George Ware

"Evaluation of Eleven Newly Acquired Asian Elms for their Suitability to Adult Elm Leaf Beetle (Coleoptera: Chrysomelidae)" by Fredric Miller and George Ware

"Evaluation of New Elms from China for Stem Cold Hardiness and Leaf Heat Tolerance" by Abbas Shirazi and George Ware

"Feeding and Ovipositional Responses of Adult Elm Leaf Beetle (Coleoptera: Chrsomelidae) to Simple and Complex Asian Elm Hybrid Selections" by Fredric Miller and George Ware (1 page only)

"Feeding Preferences for Adult Japanese Beetles (Coleoptera: Scarabaeidae) for Asian Elm Species and their Hybrids" by Fredric Miller, Stephanie Jerdan, and George Ware

"Feeding Preferences for Selected Tilia Spp. And Cultivars by the Adult Japanese Beetle (Coleoptera: Scarabaeidae)" by Fredric Miller and George Ware

"Host Suitability of Asiatic Elm Species and Hybrids for Larvae and Adults of the Elm Leaf Beetle (Coleoptera: Chrysomelidae)" by Fredric Miller and George Ware

##### Kentucky Viburnum description

"Little-Known Elms from China: Landscape Tree Possibilities"

"Native Trees for Urban Use: Urbanization of Illinois Forests"

"Nature's Niches: Source Clues for Selecting Tough Urban Trees"

"A New Look at Old Friends: Some Ecological Consideration for Tree Selection"

"Of Trees and People" by Marion T. Hall and George Ware

"Origin of Two Planetree Cultivars"

"Physical and Chemical Factors Affecting Resistance of Elms (Ulmus spp.) for feeding by the Adult

**Japanese Beetle, *Popillia japonica*" by Fredric Miller, John Juvik, and George Ware**

**"Preference for and Suitability of Asian Elm Species and Hybrids for the Adult Elm Leaf Beetle (Coleoptera: Chrysomelidae)" by Fredric Miller and George Ware**

**"Preference for and Suitability of Selected Elms, *Ulmus* spp. and their Hybrids for the Elm Leaf Beetle (*Pyrrhalta luteola*: Chrysomelidae)" by Fredric Miller and George Ware**

**Preference of Temperate Chinese Elms (*Ulmus* spp.) for the Adult Japanese Beetle (Coleoptera: Scarabaeidae)" by Fredric Miller, George Ware, and Jennifer Jackson**

**"Problem Sites: An Overview"**

**"Resistance of Elm of the *Ulmus davidiana* Complex to Defoliation by the Adult Elm Leaf Beetle" by Fredric Miller and George Ware**

**"Resistance of Temperate Chinese Elms (*Ulmus* spp.) to Feeding by the Adult Elm Leaf Beetle (Coleoptera: Chrysomelidae)" by Fredric Miller and George Ware**

**"The 'Roots' of the Research Program: Origins of the Urban Vegetation Lab"**

**"Selecting Plants for Clay Soil"**

**"Silver Maple: Sow's Ear to Silk Purse"**

**"Small Trees for Small Places"**

**"Some Considerations on Tree Selection, Transplanting, and Soil and Site Management"**

**"Suitability and Feeding Preferences of Selected North American, European, and Asian Elm Biotypes to Elm Leaf Beetle" and accompanying papers by Fredric Miller and George Ware**

**"Surprising Southerners: Some Woody Plants at Home Away from Home"**

**"Tree Provenance"**

**"Trees for Restricted Spaces"**

**Untitled**

**"Elm Breeding and Improvement at The Morton Arboretum"**

#### **Publications by Others**

**"Soil Moisture and Temperature Results on The Morton Arboretum Prairie..." by Kim Altvatter**

**American Nurseryman volume 165, number 3**

**"Environmentally Tolerant Shrubs for Use in Northern Illinois" by Kris R. Bachtell**

**"Studies on *Populus tomentosa* carr.: by Stefan Bialobok**

**Marlin Bowles, assorted publications**

**"Recommendations for Establishment of Monitoring Programs for Endangered and Threatened Plants..." by Marlin Bowles**

**"A Report on Special Floristic Elements at the Indiana Dunes National Lake Shore: New Species Monitoring and Update of Selected Existing Populations" by Marlin Bowles**

**"A Report on the Status of Endangered and Threatened Plants of the Indiana Dunes National Lakeshore" by Marlin Bowles**

**"Guide to the Chicago Landscape Ordinance " by the City of Chicago**

**"Some General Salt Spray Susceptibility Trends in Woody Plants" by Ross Clark**

**"Assessing the Benefits and Costs of the Urban Forest" by John F. Dwyer, E. Gregory McPherson, Herbert W. Schroeder, and Rowan A. Rowntree**

"Studies in the Genus Ulmus in China" by Li-Guo Fu

"Benefits of Organic Mulch" and "Mulching Trees and Shrubs" by Tom Green

"Specimen and Unusual Trees of the West Point Cemetery" by Tom Green

"Elms for Today and Tomorrow" by Raymond Guries and Eugene Smalley

"A Taxonomic Revision of Vauqueline (Rosaceae) by William Hess and James Henrickson  
Illustrations by Phoebe A. Hunter

"A Long-Range Plan for Illinois Forest Resources" prepared by the Illinois Council on Forestry Development

"Illinois Forest Legacy Program," by the Illinois Department of Conservation

"Journal of Arboriculture" by the International Society of Arboriculture (title page only)

"Deicing Salt Dispersion and Effects on Vegetation Along Highways" by Patrick D. Kelsey and Richard G. Hootman

"Exkursionsfuhrer" by L. Kutschera et al.

"Julius 'Arbore Day' Morton" by Tom Lamarre

"Restoring Nature's Balance--A Shared Responsibility" by Joseph Larkin

"Strategy and Process in Conflict Resolution" by Philip A. Marcus

"Landscaping Techniques and Materials for Urban Illinois" Stream Corridors and Wetland Edges" by Richard Mariner and Lisa Mertz-Irwin

"Insect Resistance of Elm Genotypes" by Fredric Miller

"New Elms for U.S. Landscapes by Fredric Miller

Excerpt from " DuPage at 150 and Those who Shaped Our Wold" by Jean Moore and Hiwatha Bray

"Plant Introduction and Botanic Gardens in China" by C.K. Sheng

"Reclamation of Pyritic Mine Soil Using Contaminated Dredged Material" by J.W. Simmers et al.

"Stormwater Management Policy by Shaffer International, L.L.C

"City Trees: The Journal of the Society of Municipal Arborists" by the Society of Municipal Arborists

DuPage County Stream Maintenance Report" by Randolph J. Stowe

"HR4127" by the United States Congress

"Urban and Community Forestry" by Gordon L. Younker et al.

"Woody Plant Abortion--Its Effects on Tree Growth" by Willet N. Wandell

"Ligneous Flora of Liaoning" by Peter Wang et al.

Gary Watson, assorted publications

Who's Who in America (Ware entry)

"Performance of Landscape Plants from Northern Japan in the North Central United States" by Mark P. Widrlechner et al.

"Genetic Analysis on the Hybrid Origin of Populus tomentosa" by T. Zhang et al.

"Five New Varieties of Populus Tomentosa Carr." by Zhang Tin Zhen and Yu Zhao Ying

Publications by unknown authors (folder 1)

Publications by unknown authors (folder 2)

**Publications by unknown authors, exam questions**

**Newsletters, assorted**

**Newspaper articles, assorted (folder 1)**

**Newspaper articles, assorted (folder 2)**

**Newspaper articles, assorted (folder 3)**

**Newspaper articles, assorted (folder 4)**
