### Collection Contents

#### 1920s-1930s (671 records)

Entrance to Arboretum east side off what is now IL Route 53  
Ridge Road looking east from point near Japanese Island  
Residence Drive near Thornhill Residence  
View from big oak area east of Lakeview Drive looking over Lake Marmo & Spruce Hill to Tate Woods in distance  
Meadow Road as it comes out of woods, looking southeast  
Footbridge over Lake Jopamaca leading into Ozarks Collection  
Through Door in Thornhill Residence to Gardens  
Side View Across Lawn To Thornhill Residence  
Arbor entrance to Morton residence grounds  
Road curving through trees in spring on Morton residence grounds  
Administration Building, front entrance  
Administration Building, back view  
Administration Building, distant view from Hedge Garden  
Administration Building Library, books open on tables  
Morton Residence at Thornhill, exterior, view from west  
Morton Residence Grounds at Thornhill, early entrance gates  
Morton Residence grounds at Thornhill, peonies along Joy Path  
Morton residence grounds at Thornhill, residence garden pond  
Morton Residence at Thornhill, exterior, library windows  
Morton Residence at Thornhill, exterior, library wing construction  
Morton Residence at Thornhill, exterior, beginning library wing construction  
Morton residence grounds, sheep grazing  
Morton Residence at Thornhill, entrance to main drive  
Clarence E. Godshalk and Emil Heineman canoeing on the DuPage River behind his house  
Clarence Godshalk's first home at the Arboretum, under construction  
Photo of a painting of "The Manor House Beyond" painted by Joseph Birren 1932  
Farm workers, South Farm  
Administration Building, guests walking in and out of front entrance  
Clarence Godshalk's first Arboretum house, front exterior view, Harriet standing in doorway, Clarence at car  
Puffer Lake looking north  
Path near Puffer Lake looking south  
Landscape along path near Puffer Lake looking south  
Ridge Road above geographic groups looking east, stereograph  
Arborvitaes along Lake Road, south side of Lake Marmo  
Approaching arborvitaes along Lake Road on south side of Lake Marmo in winter  
View looking north on Spring Road at Oakwood Drive  
Meadow or Forest Road in winter  
Forest Road return before intersection of Meadow Road  
Cut-off at Meadow Road and Forest Road return looking north  
Old unpaved service road looking east  
Old unpaved service road looking west  
Unpaved road along Oakwood Loop looking east  
Unpaved road slightly curving along Oakwood Loop looking east  
Unpaved road straight through wooded area along Oakwood Loop looking east  
Unpaved road slightly curving to the right along Oakwood Loop looking east  
Unpaved road slightly directed left along Oakwood Loop looking northeast  
Ridge Road looking west  
Car driving out of Arboretum west entrance toward Route 53  
Car entering Arboretum west entrance at Route 53  
Simonds Road looking north  
Unpaved road over Lake Marmo inlet bridge looking east toward car  
Route 53 when it was two lanes

View of Arboretum road from grassy area to the left  
Unpaved Arboretum road curving right through wooded area  
Unpaved Arboretum road through woods with open area in distance  
Unpaved Arboretum road through wooded area curving left  
Arboretum road heading straight toward poplar tree test area, south of Spruce Hill  
Arboretum road through poplar tree test area, south of Spruce Hill  
Arboretum road approaching poplar tree test area, south of Spruce Hill  
White oak/daffodil area in winter east of Morton residence road from Thornhill to Lake Marmo  
Morton residence road curving to right in winter  
Morton residence road in winter with evergreens along right side  
Looking east from Morton residence to entrance gates in winter, Thornhill Drive toward Park Blvd.  
Lake Road in winter on former Cutten land, purchased from Johnson's  
Lake Road around Lake Marmo at bottom of Pine Hill in winter  
Lake Road around Lake Marmo in winter  
Arboretum east gate entrance  
Arboretum East Gate Entrance in winter with stop sign on left  
Arboretum east gate entrance in winter with sign on right side  
Arboretum east gate entrance in winter with close view of east side  
Iron Bridge, Old Joliet Road, view from left over water  
Iron Bridge, Old Joliet Road, view from center over water  
Ridge Road overlooking pond by Japanese Island  
Forest Road (?) winding through wooded area in winter  
Meadow Road looking east from west end of road  
Morton residence entrance drive curving right, east of Redwood (Outpost) building site  
Muddy Arboretum dirt road curving to the left  
Arboretum dirt road curving to left  
Arboretum dirt road through trees  
Arboretum road through trees  
Arboretum road over bridge, person leaning over bridge  
Arboretum unpaved road in forest curving to right  
Arboretum unpaved sunlit road curving right into forest  
Arboretum road over DuPage River bridge, southeast view toward main entrance  
Simonds Road and road to Lake Marmo, view toward Malus Collection  
Crabapple Collection alongside road  
Arboretum road in summer through woods  
Arboretum road in summer curving to left through woods  
Unpaved Morton Residence Drive curving to the left through woods  
Unpaved Morton Residence Drive curving through woods, tree arching over road  
Thornhill Residence front drive  
View from Ridge Road to Morton residence  
Unpaved Ridge Road curving to right  
One way drive overlooking Spruce Plot  
Looking northeast over Jake Mey spruce plot from Overlook Drive  
View east from Meadow Road near Puffer gravel pit  
Unpaved road through wooded area near Puffer gravel pit  
Arboretum unpaved road through wooded area in fall  
Arboretum unpaved road alongside flowering hawthorns in spring  
Arboretum unpaved road going through Ed Puffer land  
East side road unpaved  
Lake Road, view over Rosaceae Collection to Cedar Point  
Forest Road, originally called Ridge Road  
Forest Road curving to left at Crabapple Hollow in spring  
Forest Road in summer  
Forest Road curving to right in summer  
Ravine path bridge on east side above Geographic Groups  
First ravine path bridge, Schultz Woods  
Hatch Woods main trail in winter  
European group west of DuPage River and east of Simonds Road  
Gulch Trail as it intersects with Blackberry Trail  
Thornhill residence grounds along Iris Path, man near iris plantings  
Thornhill residence grounds along Iris Path  
Area cleared for road, before stumps were blown and bed graded  
Area cleared for road, before stumps were blown and bed graded  
Area cleared for road, horses in the distance

Area cleared of brush and small trees for road  
Area cleared of brush and small trees for road in woods  
DuPage River looking north, stereograph  
West approach to bridge over DuPage River on Simonds Road  
Lake Road approaching bridge over DuPage River  
IG Trail, north of Forest Road  
Path along west end of Lake Marmo  
Grass path along east side of the DuPage River  
Tree lined path along DuPage River  
Road along early Prunus Group, east of DuPage River  
Looking north from Clarence Godshalk's yard, DuPage River bridge in center  
Looking east over Lake Marmo from bottom of Pine Hill  
View along path in Ground Cover Collection  
View along path in Ground Cover Collection  
View along path in Ground Cover Collection  
View along path in Ground Cover Collection  
Puffer Lake with Lacy Farm and Arbor Farm in background  
View from Cedar Point looking to South Farm  
Winter cleanup work  
Winter cleanup work  
Looking northeast across Lake Marmo in winter  
Heinrich Teuscher's front yard, looking east  
Hawthorn trees loaded with fruit, looking west from base of Cedar Point  
Forest Road return looking easterly from near Spruce Plot (not shown on right)  
Morton residence in distance as viewed from Ridge Road  
Morton residence at Thornhill, library wing construction  
Morton Residence at Thornhill, library  
Morton Residence at Thornhill, library  
South Farm buildings  
Morton Residence at Thornhill, exterior, library wing construction  
Morton Residence at Thornhill, exterior, library wing construction  
View from bottom of Pine Hill looking northeast  
View from lookout over Geographic Groups toward northwest, stereograph  
Propagator's house at South Farm, front exterior view  
Clarence Godshalk's second Arboretum house, front view, dog near shrub next to stairs  
Clarence Godshalk's second Arboretum house, exterior view of front entrance from side, partially obstructed by trees and shrubs in foreground  
View of unpaved Joliet Road (now IL Route 53) and land/woods in the distance from Clarence Godshalk's first Arboretum house and lawn  
Malus alongside Residence Drive near Morton Residence  
Residence Drive leading to Morton residence at Thornhill  
Residence Drive curving around trees to right  
Ridge Road in winter through bare trees looking east  
View of Morton residence on horizon from Ridge Road near Geographical Groups  
Rogers Farm on Park Blvd. from Ridge Road by Geographic Groups  
Rogers Farm on Park Blvd. as viewed through trees from Ridge Road  
Rogers Farm on Park Blvd. viewed through trees from Ridge Road  
Trees in October alongside Ridge Road  
Overlook on Ridge Road  
Meadow Road in winter looking north  
Arboretum unpaved road alongside body of water on left  
Drive through the oaks  
Front Road curving right as viewed between two trees  
Meadow Road looking north  
Front Road through wooded area  
Meadow Road looking north  
Meadow Road under walnut tree  
Meadow Road along wooded area  
Forest Road, unpaved, curving to right in wooded area  
Forest Road in winter, footprints in the snow  
Forest Road covered with snow in winter  
Forest Road in winter through dense stand of trees  
Forest Road with snow-covered trees  
Ridge Road intersection with Valley Road looking east

Forest Road with road signs at intersection on left  
 Second Arboretum residence built for Clarence Godshalk in the 1930s, rear exterior view, prior to high roof addition  
 Lilacs, entrance, and highway (now Route 53) viewed from upstairs window of Clarence Godshalk's first Arboretum house, looking northeast  
 Clarence Godshalk's first Arboretum house and yard with detached garage, south side  
 Clarence Godshalk's first Arboretum house and yard in winter, south side  
 Clarence Godshalk's first Arboretum house on Joliet Road, rear view from the northwest before garage was built  
 Arboretum west entrance road (Route 53/Joliet Road), Clarence Godshalk's first Arboretum house along right side of road  
 Propagator's house and yard at South Farm, rear view  
 Looking north on Route 53 to Arboretum residential housing and South Farm, soon after Clarence Godshalk's first house was moved to South Farm and later to Arbordale  
 South Farm buildings as they looked before 1935  
 Administration Building construction in winter, first floor brick complete with vehicles parked in front  
 Administration Building entrance and drive, stereograph  
 Looking north from Ozarks to European Group  
 Botanist's garden, close up view of Michigan lilies  
 Botanist's garden, flowers in bloom  
 Botanist's garden, open field in background  
 Botanist's garden, Michigan lilies  
 Joy Path, approximately 800 to 1000 feet south of Thornhill Residence  
 Botanist's garden, New England asters in bloom in the distance  
 View from window of Henry Teuscher's home, looking northeast  
 View from present Arboretum Center to Morton residence  
 Looking east from Spruce Hill  
 Cornus florida (flowering dogwood) in forested area in summer  
 Scotch pine on Pine Hill in winter  
 Snow covering open area with Caprifoliaceae Collection in distance  
 Trail leading out of dense shade  
 Path in the summer  
 Caprifoliaceae Collection in winter looking west  
 Looking west from Cornus Collection to Spruce Hill, Cedar Point on the right  
 Narcissus naturalized, daffodils in wooded area  
 Narcissus naturalized, daffodils in wooded area  
 Oakwood Drive Plot, Populus robusta  
 Morton residence at Thornhill, library wing construction  
 Morton Residence at Thornhill, view from southeast in winter  
 West entrance to Morton residence library  
 View of Morton residence from across one of two small ponds west of Thornhill  
 Morton Residence at Thornhill, south view in winter  
 Horseback riders through Puffer land when road is being constructed  
 American elm on Lake Marmo  
 One of the first black topping road jobs done in the Arboretum  
 Arbor Day planting along Rte 53  
 Three men (Roy Burnside at right) moving huge root balled tree  
 Eight men (Roy Burnside at bottom left seated) seated on and around root balled tree on sled in winter snow  
 Moving evergreens short distance on mule-drawn skid  
 Moving frozen balled evergreens in winter  
 Balled roots of tree on sled with pulley and chain in winter for tree transplanting  
 Elms being moved to Hedge Garden in winter  
 Elms being moved to Hedge Garden in winter  
 Crabapples being transplanted with frozen balls  
 Evergreens after being moved inside East Gate  
 Man pulling root balled tree on sled for winter transplanting  
 Moving frozen balled evergreens in winter  
 Winter transplanting  
 Balled roots chained to a sled for winter transplanting  
 Early summer gravel road, railing to left  
 Gravel road curving through trees  
 So called 'Round Meadow' when work started on Lake Marmo  
 Round Meadow: men, mules & machines  
 First Arboretum tractor pulling remodeled horse-drawn grader  
 The Waterfall  
 Lake Marmo dam & bridge as originally designed by O.C. Simonds  
 Lake Marmo, looking southeast

Concrete bridge over DuPage River, looking north  
 Winter Scene  
 Side door of Thornhill Residence  
 Thornhill Residence, back archway  
 Hedge Garden at Thornhill Residence  
 Iris Garden Near Thornhill Residence  
 Concrete bridge  
 View Of Meadow Through Trees  
 Path Through Woods In Summer  
 Sugar Road  
 Arborvitae alongside Lake Road  
 Egret On Log  
 Man on tree over DuPage River  
 Weeping willow over lazy DuPage River  
 O.C. Simonds & Joy Morton at Arnold Arboretum  
 Daniel Peterkin, Sr.  
 Charles Hutchinson, Joy Morton, Dr. Charles Sprague Sargent at Thornhill  
 Morton Residence Grounds at Thornhill, residence gardens  
 Morton Residence grounds at Thornhill, Thornhill pool  
 Morton Residence at Thornhill, exterior, view outside library  
 Morton Residence at Thornhill, exterior, beginning library wing construction  
 Morton Residence at Thornhill, pool  
 Morton Residence at Thornhill, library  
 Morton Residence at Thornhill, library  
 Morton Residence at Thornhill, library doorway  
 Morton Residence at Thornhill, library bay and windows  
 Morton Residence at Thornhill, library shelving  
 Joy Morton near sugar maple at west end of Lake Marmo site  
 Joy Morton standing by large cottonwood on Warrenville Road  
 Joy Morton with his nephew on east side path  
 Joy Morton watching spring planting  
 Looking west from lower pond by Joy Path  
 Home Farm buildings  
 Morton Residence at Thornhill, south view from lawn  
 Morton Residence at Thornhill, greenhouse in winter  
 Morton Residence at Thornhill, snow-covered grounds in foreground  
 Morton Residence at Thornhill, snow-covered grounds in foreground  
 Morton Residence at Thornhill, evergreens east of house  
 Joy Morton burial plot with flowers and wreaths  
 Joy Morton burial plot after burial  
 Clarence E. Godshalk, dressed for work  
 Clarence E. Godshalk, just out of college, drinking some water  
 Clarence E. Godshalk sitting on a fallen oak in the woodlands, north of Lake Marmo  
 Clarence and Margaret Godshalk with their dog, Punch, at the river dam behind their house  
 Clarence E. Godshalk and his dog, Punch, with Joy Morton's castoff Model T car  
 Clarence E. Godshalk's children getting pulled in a sleigh by their pony in the snow  
 Clarence and Margaret Godshalk outside with several of their puppies  
 Clarence E. Godshalk in experimental plot, poplars  
 Frank D. Lindley, Joy Morton's chauffeur, at old Thornhill entrance gates  
 Open-air touring bus  
 First picnic area - located in the woods 500 ft north of Lake Marmo  
 Arboretum's first picnic area near Lake Marmo below bug house - Clarence Godshalk talking to visiting group [Prairie Club?]  
 Arboretum's first picnic area near Lake Marmo below bug house - Clarence Godshalk and visiting group [Prairie Club?]  
 Side View of Thornhill Residence  
 Moving frozen balled evergreens in winter  
 Administration Building, front entrance w/ small parking area in front  
 Morton Residence at Thornhill, exterior, library wing construction  
 Joy Morton on Joy Path  
 Clarence E. Godshalk and his dog, Punch, inside Joy Morton's castoff Model T car  
 Clarence E. Godshalk in runabout made from Model T car  
 Margaret Godshalk standing outside in the snow  
 Clarence E. Godshalk outside South Farm house  
 Clarence E. Godshalk with Model T car and dog Punch  
 Clarence E. Godshalk dressed in a suit outside South Farm house

Joe Klavas looking north in South Farm courtyard  
 Man using corn binder in field at Lisle Farms  
 Harvesting crops in field at Lisle Farms  
 Arnold Berg Sr. on Arboretum's first tractor at Lisle Farms  
 Two men silo filling at Lisle Farms  
 Man transferring crop into thresher at Lisle Farms  
 Fritz Kuttner unloading hay at Lisle Farms  
 Man operating thresher at Lisle Farms  
 Men working to fill silo at Lisle Farms  
 Crop transfer into thresher by man in wagon at Lisle Farms  
 View from belts of men working to fill silo at Lisle Farms  
 Rotating belt on machine with men working to fill silo in distance at Lisle Farms  
 Men feeding crop into thresher with threshing machine in foreground at Lisle Farms  
 Men transferring crop into thresher with threshing machine in foreground at Lisle Farms  
 Silo fillers at work at Lisle Farms  
 Men with baled hay on trailer at Lisle Farms  
 Man standing on baled hay in trailer at Lisle Farms  
 Distant view of men with baled hay on trailer at Lisle Farms  
 Men baling hay at Lisle Farms  
 Men threshing grain at Lisle Farms  
 Ice making on Lake Marmo at Lisle Farms  
 Group of men standing on top of threshing equipment at Lisle Farms  
 Herb Piffinger with team of Percheron horses in winter at Lisle Farms  
 Percheron horse and three men on Lake Marmo making ice at Lisle Farms  
 Man and Percheron horse on Lake Marmo making ice at Lisle Farms  
 Toulouse geese outside of farm buildings at Duel Farm  
 Grant bronze turkeys at Duel Farm  
 Group of Grant bronze turkeys at Duel Farm  
 Toulouse geese at Duel Farm  
 Home Farm cattle and buildings  
 Morton Home Farm buildings, shop and barn

 Lisle Farms registered Holstein cow at Schroeder Farm  
 Lisle Farms registered Holstein bull at Schroeder Farm  
 Lisle Farms registered Holstein cattle grazing in field, mostly facing left  
 Lisle Farms registered Holstein cattle grazing in field, mostly facing right  
 Lisle Farms registered Holstein cattle in and around a section of the DuPage River after it was straightened in 1921  
 Lisle Farms cattle grazing in field with browsed hawthorn tree  
 Lisle Farms cattle grazing in field with browsed hawthorn tree in foreground  
 Lake Marmo Cleaning: snow on mulch covered Lake Marmo with view of bridge and dam  
 Lake Marmo Cleaning: Yackley dragline excavator frozen in for the winter  
 Lake Marmo Cleaning: removing sediment from Lake Marmo  
 Lake Marmo Cleaning: 4 ft deep sediment being removed from Lake Marmo  
 Lake Marmo Cleaning: construction equipment in distance by Lake Marmo bridge and dam  
 Lake Marmo Cleaning: Arboretum dump truck unloading mulch  
 Lake Marmo Cleaning: truck dumping sediment in gravel pit  
 Lake Marmo Cleaning: dump truck on frozen Lake Marmo loaded with mulch to spread on ice  
 Lake Marmo Cleaning: dump truck unloading mulch on frozen Lake Marmo  
 Lake Marmo Cleaning: two men spreading mulch over frozen Lake Marmo  
 Lake Marmo Cleaning: two men with pitchforks spreading mulch over frozen Lake Marmo  
 Road leading up to bridge over DuPage River looking northwest  
 Looking north from inside Arboretum East Gate in winter  
 Looking north from inside East Gate in winter, sign on right side of road  
 Lake Road looking east from Cedar Point  
 Lake Marmo Cleaning: Lake Marmo covered with mulch, bridge and dam in the distance  
 Lake Marmo Cleaning: Lake Marmo covered with mulch near bridge and dam  
 Lake Marmo Cleaning: snow on mulch covered Lake Marmo with view of bridge and dam, side view  
 Lake Marmo Cleaning: truck dumping sediment from Lake Marmo in gravel pit, two men overseeing  
 Joy Path, early spring with iris in bloom on right side

Workers covering freshly sprayed asphalt roadbed with gravel  
Early unpaved Arboretum road curving to left  
Area cleared for road, before stumps were blown and bed graded  
Lake Jopamaca in Ozarks after it was completed  
DuPage River just after dredging with cattle  
DuPage River, north of the Arboretum, just after dredging  
DuPage River, looking south from bridge  
Lake Jopamaca in the Ozarks, dug by drag line (shown in background)  
Rapids built in DuPage River to raise water level in Lake Jopamaca  
Woman and man on concrete bridge over DuPage River  
Two men and a woman on concrete bridge over DuPage River  
Footbridge over inlet to Lake Jopamaca  
DuPage River dam and rapids  
DuPage River dam and rapids  
First DuPage River dam in winter  
First DuPage River dam, closer view of waterfall  
DuPage River looking northeast with bridge in distance  
Under DuPage River bridge looking toward Cedar Point  
Poplar and willow plantings in winter along DuPage River  
DuPage River in winter near Ozark Lake  
Simonds Road bridge over DuPage River before metal railing  
Simonds Road bridge over DuPage River with cement railings looking north  
DuPage River bridge, metal railings installation  
DuPage River bridge, men working on metal railing installation  
DuPage River bridge with new metal railings  
Bog garden, view south from Lake Marmo dam  
Nature School for Teachers, May T. Watts addressing a group of teachers  
Nature School for Teachers, May T. Watts speaking to teachers  
Nature School for Teachers, group listening to May T. Watts  
Nature School for Teachers, May T. Watts with large group in a clearing  
Lake Marmo bridge and dam  
Lake Marmo dam and bridge, close view  
Lake Marmo bridge and dam looking toward South Farm  
Lake Marmo, looking west from bridge toward Arborvitae Point  
Vegetation around Lake Marmo and inlet bridge  
South side of Lake Marmo in spring looking toward Cedar Point  
View from road on east end of Lake Marmo  
Island viewed from west end of Lake Marmo  
Looking east from bottom of Pine Hill toward Lake Marmo  
Three boys on Lake Jopamaca Footbridge  
On Lake Jopamaca footbridge looking toward weeping willows  
DuPage River and Ozark Collection  
View of Cedar Point from Spruce Hill, Lake Marmo in center  
Lake Jopamaca north end from river inlet looking west  
DuPage River looking west at Ozark Collection  
Lake Ozark, plants in water in foreground  
Lake Ozark in distance viewed from the north  
View from Lake Ozark toward Thornhill residence  
West side of Ozark Collection in winter looking south  
Footprints in snow along east side of old Caprifoliaceae Collection  
Bog Garden below Lake Marmo  
Lake Marmo being filled right after it was dug  
Lake Marmo, looking east toward bridge and dam  
First spring after digging Lake Marmo  
Lake Marmo looking east, man standing at shoreline  
View from Spruce Hill toward Cedar Point and Lake Marmo  
View east of Pine Hill, Lake Marmo in center  
Looking west across Lake Marmo at Arbor Vitae and maple in center  
View looking west at Lake Marmo from Cedar Point  
?Lake Marmo looking west toward islands
