

Aquilegia

Series, 1.5568

Part of: Vascular Plants Slide Collection > Aquilegia

Collection Contents

Aquilegia (47 records)

- Aquilegia canadensis L. (columbine), close-up of flower and bud
- Aquilegia canadensis L. (columbine), close-up of flowers, flower buds, and stems
- Aquilegia canadensis L. (columbine), close-up of budding flower
- Aquilegia canadensis L. (columbine), close-up of opening flower with stem
- Aquilegia canadensis L. (columbine), close-up of flower bud
- Aquilegia canadensis L. (columbine), close-up of flower with flower bud
- Aquilegia canadensis L. (columbine), close-up of opening flowers
- Aquilegia canadensis L. (columbine), close-up of fruit
- Aquilegia canadensis L. (columbine), close-up of flower and flower bud
- Aquilegia canadensis L. (columbine), close-up of flower and buds
- Aquilegia canadensis L. (columbine), close-up of opening flower
- Aquilegia canadensis L. (columbine), habit
- Aquilegia canadensis L. (columbine), flower and stem detail
- Aquilegia canadensis L. (columbine), close-up of opening flower and flower bud
- Aquilegia canadensis L. (columbine), close-up of flower and leaves
- Aquilegia canadensis L. (columbine), close-up of flower and flower bud detail
- Aquilegia canadensis L. (columbine), close-up of flower center
- Aquilegia canadensis L. (columbine), habit, habitat
- Aquilegia canadensis L. (columbine), habit
- Aquilegia canadensis L. (columbine), close-up of flower center
- Aquilegia canadensis L. (columbine), opening flowers
- Aquilegia canadensis L. (columbine), opening flower detail
- Aquilegia coerulea (Colorado columbine), close-up flower
- Aquilegia coerulea (Colorado columbine), flower and flower bud
- Aquilegia coerulea (Colorado columbine), close-up of flowers
- Aquilegia coerulea (Colorado columbine), habit
- Aquilegia coerulea (Colorado columbine), close-up flower
- Aquilegia coerulea (Colorado columbine), close-up of habit
- Aquilegia coerulea (Colorado columbine), botanical illustration
- Aquilegia coerulea (Colorado columbine), close-up of flowers
- Aquilegia coerulea (Colorado columbine), close-up of flower detail
- Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flower
- Aquilegia formosa Fisch. ex DC. (Western columbine), habit
- Aquilegia formosa Fisch. ex DC. (Western columbine), flowers and buds on stems with leaves
- Aquilegia formosa Fisch. ex DC. (Western columbine), habit
- Aquilegia formosa Fisch. ex DC. (Western columbine), flowers and stems
- Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flower on stem with leaves
- Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flower on stem with leaves
- Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flower
- Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flower and bud
- Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flowers
- Aquilegia vulgaris L. (European columbine), habit
- Aquilegia vulgaris L. (European columbine), habit
- Aquilegia vulgaris L. (European columbine), habit
- Aquilegia vulgaris L. (European columbine), close-up of flowers
- Aquilegia coerulea (Colorado columbine), flowers
- Aquilegia formosa Fisch. ex DC. (western columbine), close-up of flowers and bud on stem

Aquilegia canadense (22 records)

- Aquilegia canadensis L. (columbine), close-up of flower and bud
- Aquilegia canadensis L. (columbine), close-up of flowers, flower buds, and stems
- Aquilegia canadensis L. (columbine), close-up of budding flower
- Aquilegia canadensis L. (columbine), close-up of opening flower with stem
- Aquilegia canadensis L. (columbine), close-up of flower bud

Aquilegia canadensis L. (columbine), close-up of flower with flower bud
Aquilegia canadensis L. (columbine), close-up of opening flowers
Aquilegia canadensis L. (columbine), close-up of fruit
Aquilegia canadensis L. (columbine), close-up of flower and flower bud
Aquilegia canadensis L. (columbine), close-up of flower and buds
Aquilegia canadensis L. (columbine), close-up of opening flower
Aquilegia canadensis L. (columbine), habit
Aquilegia canadensis L. (columbine), flower and stem detail
Aquilegia canadensis L. (columbine), close-up of opening flower and flower bud
Aquilegia canadensis L. (columbine), close-up of flower and leaves
Aquilegia canadensis L. (columbine), close-up of flower and flower bud detail
Aquilegia canadensis L. (columbine), close-up of flower center
Aquilegia canadensis L. (columbine), habit, habitat
Aquilegia canadensis L. (columbine), habit
Aquilegia canadensis L. (columbine), close-up of flower center
Aquilegia canadensis L. (columbine), opening flowers
Aquilegia canadensis L. (columbine), opening flower detail

Aquilegia coerulea (10 records)

Aquilegia coerulea (Colorado columbine), close-up flower
Aquilegia coerulea (Colorado columbine), flower and flower bud
Aquilegia coerulea (Colorado columbine), close-up of flowers
Aquilegia coerulea (Colorado columbine), habit
Aquilegia coerulea (Colorado columbine), close-up flower
Aquilegia coerulea (Colorado columbine), close-up of habit
Aquilegia coerulea (Colorado columbine), botanical illustration
Aquilegia coerulea (Colorado columbine), close-up of flowers
Aquilegia coerulea (Colorado columbine), close-up of flower detail
Aquilegia coerulea (Colorado columbine), flowers

Aquilegia formosa (11 records)

Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flower
Aquilegia formosa Fisch. ex DC. (Western columbine), habit
Aquilegia formosa Fisch. ex DC. (Western columbine), flowers and buds on stems with leaves
Aquilegia formosa Fisch. ex DC. (Western columbine), habit
Aquilegia formosa Fisch. ex DC. (Western columbine), flowers and stems
Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flower on stem with leaves
Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flower on stem with leaves
Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flower
Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flower and bud
Aquilegia formosa Fisch. ex DC. (Western columbine), close-up of flowers
Aquilegia formosa Fisch. ex DC. (western columbine), close-up of flowers and bud on stem

Aquilegia vulgaris (4 records)

Aquilegia vulgaris L. (European columbine), habit
Aquilegia vulgaris L. (European columbine), habit
Aquilegia vulgaris L. (European columbine), habit
Aquilegia vulgaris L. (European columbine), close-up of flowers
